

Skills for Growth

Skills for Growth is offering **FREE** training and qualifications to support employees to improve their skills and knowledge through work-based learning. This project is funded by the European Social Fund (ESF) and co-financed by the Education and Skills Funding Agency (ESFA).

What can the scheme offer you?

Skills for Growth offers qualifications and training, to overcome skills gaps and shortages within your workforce. We will work with employers to analyse the business needs and identify training programmes/qualifications, to improve skills and competency, and the training can be delivered in the work place to minimise time off the job.

What are the benefits for your organisation?

- Improved workforce skills, productivity and effectiveness.
- Increased employee motivation and staff retention.
- Has an impact on the bottom line, through increased profitability.
- Possible progress onto other funded courses.
- The training is FREE.

Current courses option;

Course 1 - Cache Award in Dementia Care Level 3 (with two level 4 units included with in the course)

And or

Course 2 - ILM Management Certificate Level 3

We are happy to look at bespoke training to suit your organisational needs.

Course sign up, initial assessment and first day of learning will take place in July with the main workshops starting in September. There will be workshops and tutorial support over a 3-month period.
