Ensure your Staff are correctly qualified

Professional Training Solutions are pleased to announce the launch of our brand new suite of First Aid courses.

Courses on offer are:

- Emergency First Aid at Work
- First Aid at Work
- Emergency Paediatric First Aid
- Paediatric First Aid

About our First Aid Courses

Having the correct First Aid provision in the workplace is not only a legal requirement, it is incredibly important for the safety of employers and their employees. Our First Aid courses are tailored to all industries requiring a qualified First Aider on-site, as well as individuals looking to gain a First Aid qualification.

We are offering courses at the PTS Head Office in **Farnham** and our **Waterloo Office in Central London**. If you are an employer who would like to hold a private course at your own location, please contact us to discuss options.

If the dates provided are not suitable, please contact **Jay Crabb** at j.crabb@protrain-solutions.co.uk and we can discuss different options.

Courses we offer:

First Aid at Work:

The First Aid at Work qualification will enable individuals to attain the knowledge and practical competencies needed to deal with a range of First Aid situations within the workplace.

Courses include:

- Emergency First Aid at Work - 1 day
- First Aid at Work - 3 day
- Annual Refresher First Aid at Work - 1/2 day
- First Aid at Work Requalification Course

Paediatric First Aid:

This qualification is for individuals who work with or look after children, enabling them to deal with Paediatric First Aid situations that can arise when looking after children.

Courses include:

- Paediatric First Aid - 2 day
- Annual Refresher Paediatric First Aid - 1/2 day
- Emergency Paediatric First Aid - 1 day

Early Years Educator Apprentices on Programme

The **Level 3 Early Years Educator Apprenticeship** standard requires you to have an **mandatory qualification** of either Paediatric First Aid (2 day) or Emergency Paediatric First Aid (1 day) to complete prior to the learner going forward for their End Point Assessment.

Learners on programme with us will be offered a space on a Paediatric First Aid course as part of their qualification package. However, spaces are limited for each course which will be allocated on a first-come, first-serve basis.
