LEVEL 5

Leader in Adult Care

This apprenticeship enables the learner to lead a care service and manage teams of carers to look after adults with care needs.

Occupation Summary

The Leader in Adult Care will guide and inspire teams to make positive differences to someone's life when they are faced with physical, practical, social, emotional, psychological or intellectual challenges. They will be a leader of the care team and will develop and implement a values-based culture at a service or unit level. They may be responsible for business development, financial control, organisational resilience and continuity as well as for managing risk and leading on organisational change.

A Leader in Adult Care has responsibility for managing community or residential based services. This role has a large element of leadership, whether with other care workers and networks or in leading the service itself. They have a responsibility to ensure the service is safe, effective, caring, responsive to people's needs and well-led. They may be a registered manager of a service, unit, deputy or assistant manager. They will be responsible for ensuring regulatory compliance of the care given and the values and training of staff with established standards and regulations.

Qualifications

Level 5 Diploma in Leadership and Management for Adult Care.

Apprentices without level 1 English and maths will need to achieve this level and apprentices without level 2 English and maths will need to take the tests for this level prior to taking the end-point assessment. For those with an education, health and care plan or a legacy statement, the apprenticeship's English and maths minimum requirement is Entry Level 3. A British Sign Language (BSL) qualification is an alternative to the English qualification for those whose primary language is BSL.

End Point Assessment

The Level 5 Leader in Adult Care qualification consists of two discrete assessment methods:

- Observation of leadership
- Professional discussion

The performance in the Learners End Point Assessment will determine their overall apprenticeship standard and grade.

Progression

This apprenticeship provides an ideal entry into the occupation and supports progression within the sector.
