Course Content

Unit 1: Principles of safeguarding

Learn the definition of safeguarding and the national and local context of safeguarding and protection from abuse. Develop an understanding of the types of abuse and the duty of care through the principles that underpin safeguarding of children, young people and adults. Develop the skills needed to appropriately respond to a disclosure of abuse and what a person should do if a disclosure takes place.

Unit 2: The importance of British Values

Explore the principles of British Values and learn about the relevant legislation concerning human rights and counter-terrorism. Define the term liberty and the impact of terrorism, extremism and radicalisation. Learn how prevent duty supports British values.

Unit 3: The prevent duty and its importance in society.

Define prevent and CONTEST and develop an understanding of the threat of terrorism. Learn key principles in duty and safeguarding including the factors which may make an individual susceptible to becoming radicalised and the actions, including reporting procedures, that should be taken if there are concerns that a vulnerable individual or group may be at risk from radicalisation and more.

Unit 4: The importance of online safety

Discover the positive uses of internet activity as well as the surface web, deep web and dark web. Develop skills to identify individuals who may be vulnerable online and the risk of negative online activity. Learn the signs that an individual may be using the internet inappropriately, how an individual can be supported to change their online behaviour and more.
