# The project

This unique project has limited funding to enable us to deliver a Level 4 qualification for free to eligible learners. The overall objective is to improve the skills within the Early Years workforce in London to support the retention and progression opportunities for Early Years workers, providing better outcomes for Children and Young People and staff.

## Level 4 Certificate for the Early Years Advanced Practitioner

There are five core units of study and the delivery programme, for each unit, will consist of:

- 2 x 3 hour online sessions per month
- Six hours of coaching
- 1:1 mentoring and assessments.
